

Luxembourg, August 8th 2019

Dear Sir or Madam,

This is with great pleasure that I had the opportunity to work with Madam Laure Gathy who was an accountant in our Accounting company Fidunord from October 1, 2006 to February 1, 2008 and at THG Luxembourg from February 1, 2008 to October 1, 2009.

During this period, she was fully invested in the missions entrusted to her. She showed determinism and professionalism in order to achieve her goals.

Laure actively participated in the digital transition of an internal Accounting company's trust system into THG between 2008 and 2009, including the use of two accounting software - Book-In from Intec and BOB from Sage.

Versatile, available and very reactive, Laure Gathy has been an exemplary collaborator who has brought full and complete satisfaction to the company. I am sure she should be a good element for your organization.

We wish you good reception of this letter. We remain at your entire disposal for any further information.

Yours faithfully,

S. BOSKIN
